## Halloween Horror Delta – We're back

We have returned for the 2018 Halloween season

On October 31<sup>st</sup> only, Halloween Horror Delta will be returning from last year's break, run by local Mistress of Darkness Robyn Hasbach. This display will be open for visitors between 6PM and 9PM and we will be giving out treats to all Trick-Or-Treaters in a costume.

Please visit our website at <<http://www.horrordelta.com>> for directions, photos, and videos from previous years. Also available are downloadable copies of previous years' background. Our mp3's have been custom designed for our display and are available for free download. Our site will again be hosting our live webcast of the display's setup, and continuing throughout the night it will be available from 9AM to 9PM. We will again be partnering with Delta Fire Fighters Charitable Society to collect donations. Robyn welcomes questions and interviews. Please call her at **604 318 2912** or via email **me@writerobyn.com to arrange.**

This year's display features:

- Animated Grave Stone Projection
- A Dungeon
- Background lighting using energy efficient CFL's and fog machines.
- Two graveyards containing various custom-made gravestones created by our scene shop.
- Various static and animated creatures/bodies including new rotting corpses.
- A pneumatic well and other pneumatic props.
- Two Mausoleums. One with a projected ghost and a second with a Black Light setup
- ...and much, much more!

**For Release October 1, 2018**
